MEMORANDUM

TO: State Agency Heads

FROM: Richard Eckstrom
Comptroller General

RE: Travel Report – Fiscal Year 2020-2021

DATE: November 1, 2021

The enclosed Travel Report for Fiscal Year 2020-2021 is provided for your information. The report contains a listing for every agency receiving an appropriation in the annual General Appropriations Act. The Comptroller General's Office compiled the report as much as possible from data recorded in the state's central accounting system. Agencies and institutions that have the authority to issue their own checks and maintain their own accounting systems provided us their travel data to include in this report.

This report is prepared as a management tool to assist agency heads and state leaders in ensuring that the state's financial resources are being used efficiently. Total travel-related spending for the year was impacted by the COVID-19 pandemic resulting in a seventy percent (or \$45.6 million) decrease from the year before. Please contact me if you have any questions about this report.

PREFACE

The Comptroller General's Office compiled this report on travel-related expenditures for the fiscal year ended June 30, 2021, to the extent possible, from data recorded in the South Carolina Enterprise Information System (SCEIS). Agencies and institutions (both referred to hereafter as "agencies") that receive state appropriations but have the authority to make their own disbursements and maintain their own accounting systems independent of SCEIS, such as the state's technical colleges, state-supported universities, and certain autonomously-organized component units of the state that receive state appropriated funds, have provided their travel data to us. That data also is included in this report.

This report includes travel-related expenditures paid from state, federal, and other sources by all agencies that received appropriations as part of the 2020-2021 Continuing Resolution. Expenditures for travel costs incurred in the issuance of bonds, state-owned leased cars, and employee moving expenses are not included. Persons employed by one agency may incur travel expenditures that are appropriately charged to another agency. In these instances, the employee and the related travel is listed under the agency that ultimately paid for the travel.

This report is divided into four sections.

Section One contains a summary of in-state, out-of-state, and non-state employee travel and registration expenditures by agency. Out-of-state travel includes domestic travel outside our state including travel outside the borders of the United States. Non-state employee travel represents expenditures made by agencies on behalf of non-state employees for transportation, mileage, lodging, meals, and other charges necessary in the performance of their services while under contract with the State. This section includes registration fees and travel paid on behalf of volunteer workers. Agencies are listed in descending order beginning with the agency that has the highest total of travel expenditures.

Section Two ranks each agency by the total amount spent on in-state and out-of-state travel. Expenditures for non-state employee travel **are not** included in this section. Accordingly, an agency's rank in this section may differ from its rank in Section One.

Section Three ranks each agency by the combined total amount spent on in-state and out-of-state travel and for registration expenditures, **excluding non-state employees**. Accordingly, an agency's rank in this section may differ from its rank in Section One. For each agency, the top twenty-five employee travelers are listed in descending order according to the amount expended. For agencies with more than twenty-five employee travelers, a line-item is included to show the total travel expenditures of all remaining employees not listed in the top twenty-five travelers. In instances where more than one employee incurred an identical amount of travel expenditures as one of the top twenty-five, each employee is listed. Therefore, it is possible that some agencies will have more than twenty-five employees individually listed.

Section Four contains narratives provided by each agency summarizing the type of travel incurred. Agencies are arranged alphabetically.

SECTION FOUR

**Travel Summaries By Agency
In Alphabetical Order**

TRAVEL SUMMARIES

ACCIDENT FUND, STATE

State Accident Fund's travel expenses include the following: registration for training courses related to employees' job duties; registration fees for conferences related to employees' job duties; mileage for business related travel; and meal reimbursement for business related travel.

ADJUTANT GENERAL, OFFICE OF

The purpose of the Office of the Adjutant General FY20-21 travel was primarily to support State requirements to include support to emergency operations, mandated inspections, training, support for facility readiness, and seminars. In addition, SCEMD employees traveled to support response and recovery related to State emergencies and disasters, and in support of planning and preparedness coordination with the various counties and State Agencies. The travel also supported SC National Guard mobilized for State Active Duty as well as for support to other states during disasters.

ADMINISTRATION, DEPARTMENT OF

To help the South Carolina Department of Administration (Admin) more efficiently and securely serve citizens and agency partners, travel is sometimes necessary to conduct official agency business and to receive training to advance services the agency offers. Admin thoroughly scrutinizes all travel requests to ensure that they are necessary for the execution of the agency's mission.

During FY 2021, employees primarily traveled to participate in highly specialized, training, to attract qualified employees for employment with Admin, and to advance programs related to disaster recovery. Examples include:

- SQL Server training required to migrate existing databases to the MS SQL Server environment.
- Intensive leadership development training programs such as the Certified Public Manager Program and Supervisory Practices.
- Attendance at Long Term Recovery Group meetings across the state to engage with entities helping South Carolinians impacted by floods and hurricanes.
- Attendance at various college recruitment fairs to help fill high-turnover positions and to increase internship resources and opportunities.

ADMINISTRATIVE LAW COURT

The Administrative Law Court incurred in-state travel that benefited the agency. The annual SCAARLA Educational Seminar provided Judges, law clerks, staff counsels and hearing officers further training in Administrative Law and Continuing Legal Education, the OMVH hearing officers conducted hearings for persons affected by an action or proposed action of the South Carolina Department of Motor Vehicle and the technology specialist attended conference on security practices for the agency.

AERONAUTICS, DIVISION OF

The South Carolina Aeronautics Commission (SCAC) Flight Operations provides flight travel services for State Government, and Airport Development provides technical engineering and planning services to 58 publicly owned airports located in South Carolina. Out-of-state travel and registrations are for attending Federal Aviation Administration (FAA) training schools and maintaining professional development currency in the staff's respective fields.

AGING, DEPARTMENT ON

The agency head will only approved conference registration for those conferences or classes that related directly to the employee's current position and funding source. Because of COVID travel was much more limited, but SCDOA will

reimburse employees in the Vulnerable Adult Guardian Ombudsman program for miles driven to court or family visits when a fleet vehicle is not available. During the coming year there will be more travel cost for the Agency Head as she is called to provide testimony or reports to various other governmental entities.

AGRICULTURE, DEPARTMENT OF

The mission of the South Carolina Department of Agriculture (SCDA) is to promote and nurture the growth and development of South Carolina's agriculture industry and its related businesses while assuring the safety and security of the buying public. SCDA employee travel is related to regulatory compliance activities, agribusiness recruitment, agricultural marketing, or operational support of the agency mission.

AIKEN TECHNICAL COLLEGE

Aiken Technical College (ATC) faculty and staff participate in training and professional development opportunities to provide instruction and/or enhance their current job knowledge, skills and abilities. Some faculty and staff members hold leadership positions within their respective fields and attend regional conferences. Out-of-state travel includes attendance and speaker engagements at national annual conferences, meetings and training programs such as; Datatel Users Group (DUG); National Council for Continuing Education and Training (NCCET); Workforce and Business Development Institute; National Coalition Building Institute (NCBI); National Council for Workforce Education; Learning Resource Network (LERN); American Association of Community Colleges (AACC); National Association of Student Personnel Administrators (NASPA) and Student Leadership Training. Travel out-of-state is necessary to obtain and maintain accreditation for academic programs and the College such as National League Nursing Accreditation Council (NLNAC) and Southern Association of Colleges and Schools (SACS) respectively.

Travel is funded with federal grant, state grant and local dollars. Work Keys profilers' travel is billable to the Training and Business Development (Continuing Ed) clients. State appropriated funds are not allocated to travel.

ALCOHOL AND OTHER DRUG ABUSE SERVICES, DEPARTMENT OF

During fiscal year 2021, the SC Department of Alcohol and Other Drug Abuse Services (DAODAS) incurred travel expenses for the purposes of attending/conducting training events, meetings with county alcohol and drug abuse authorities and professional conferences.

ARCHIVES AND HISTORY, DEPARTMENT OF

All agency travel was conducted in support of the Department of Archives and History's mission to preserve and promote the documentary and cultural heritage of the state of South Carolina. Out-of-state travel expenses resulted from staff members attending national training sessions, meetings, and conferences. Agency staff members who administer the state's historic preservation functions in partnership with federal and local agencies must receive regular training on the laws, regulations, programs, and policies of national partners, such as the National Park Service and the Advisory Council on Historic Preservation. All historic preservation program staff travel and training expenses are reimbursed by federal funds through the state's annual allocation of the Historic Preservation Fund.

SCDAH travel expenditures were limited to the operations of the State Historical Preservation Office and included registration for two online training sessions (GIS and Section 106 of the National Historic Preservation Act) and meals during in-state travel to State Historical Marker unveiling ceremonies, where staff members made presentations.

AREA HEALTH EDUCATION CONSORTIUM

The South Carolina Area Health Education Consortium (AHEC) builds and supports the healthcare workforce South Carolina needs for every community to have access to diverse, high-quality, patient-focused care. The South Carolina AHEC had 13 employees travel in FY21 in the amount of \$12,611.21.

In addition, South Carolina AHEC supported travel for non-employee personnel affiliated with South Carolina AHEC-supported Family Medicine Residency Training Programs. Kathleen Greenberg, Senior Research Associate, SC Office for Healthcare Workforce, was the top AHEC traveler in FY21, spending \$3,908, all of which was state-funded virtual registration fees.

For FY21, State Funds paid for 100% of the travel, or \$18,066.65. Due to the pandemic, these travel expenses were mainly registration fees for virtual conferences for educational and professional development purposes.

ARTS COMMISSION

The majority of the agency's in-state travel expenditures are for county coordinators (Arts Coordinators) to visit constituents throughout the state for grant advisement, planning, meeting facilitation, grant project monitoring, and speaking to civic and educational groups. For most of FY2021 staff did not travel but moved to virtual models for meetings and constituent advisement. Most registration fees were for conferences that shifted to a virtual platform; however there was a small amount of in person travel at the end of the year to visit constituents.

ATTORNEY GENERAL, OFFICE OF

The Office of the Attorney General is South Carolina's chief legal office. The South Carolina Constitution defines the Attorney General's role as "chief prosecuting officer of the State with authority to supervise the prosecution of all criminal cases in courts of record." The primary activities of the Office are prosecution and litigation, and its staff is composed largely of attorneys and their support personnel.

In FY21, travel incurred by Attorney General Staff covered many initiatives and spectrums. Travel in this office is related to the following activities: prosecution by the State Grand Jury, Civil Litigation, Post-Conviction Relief litigation, Insurance Fraud prosecution, Government Litigation, and Internet Crimes Against Children prosecution. Other areas of focus involving Attorney General Employees were the Clerk of Court, Medicaid prosecution, Human Trafficking prosecution, Violence Against Women prosecution, and Crime Victim Services. The Attorney General staff also attended the Solicitor's Conference, National Association of Attorney's General Conferences, and other administrative training seminars.

AUDITOR, OFFICE OF THE STATE

The Office of the State Auditor incurs travel expenses for the professional growth of the agency and its employees. For Fiscal Year 2020-2021 our office spent a total of \$35,091.53.

Funds were spent on continuing professional education for auditors, including national conferences sponsored by the National State Auditors Association (NSAA) and the American Institute of Certified Public Accountants (AICPA). Many of these conferences involved employees earning continuing professional education credit hours required to maintain a Certified Public Accountant (CPA) license. The remainder of the travel expenses were incurred for audit staff traveling to conduct field work related to audits of state agencies and Medicaid providers, and for recruiting at in-state colleges and universities for vacant auditor positions.

BLIND, COMMISSION FOR THE

All SCCB travel was conducted to provide case services delivery and other official business of the agency. This included as needed counselor travel for planning and service delivery, as well as monthly management travel to agency district offices, at the direction of the Commissioner. Due to staffing shortages, some staff were assigned to work from more than one 'home' location to ensure that adequate office coverage was available for our consumers. Though we minimize the use of POVs for staff travel, there are times when a staff car is not available. These are kept to a minimum.

CENTRAL CAROLINA TECHNICAL COLLEGE

Central Carolina Technical College travel consists of:

- Mileage for personal vehicles (when a College vehicle is not available) to travel to off campus locations to teach courses and for recruitment.
- Conferences and seminars for faculty and staff as a part of the College's comprehensive professional development program.
- Training programs for specific faculty specialty areas.
- Non-state employee travel consists largely of travel reimbursements related to students in the Carl D. Perkins Career and Technical Education grant, TRIO programs, TRIO Veterans Upward Bound program, and PBI Strengthening Minority grants.

CHILDREN'S ADVOCACY, DEPARTMENT OF

The South Carolina Department of Children's Advocacy's travel expenditures for FY 2021 included various travel and costs associated with essential functions of the Department of Children's Advocacy.

During the above-mentioned period, in-state travel costs included costs for staff to attend mandatory agency training and costs for attorney licensure which is required for their jobs. Please note that the registration for Kayla Capps was mistakenly overpaid, and the error was corrected with a reimbursement payment by Ms. Capps such that the net payment by the agency for her registration was \$395.

The other in-state expenses were associated with travel for required case management visits with children, attendance at Foster Care Review Board meetings, Guardian ad Litem visits with children, and attendance at court hearings.

CLEMSON UNIVERSITY

Clemson University expends funds for employee travel to meet and enhance the education, research and public service missions. Clemson University employee travel expenses reported for FY2021 were \$1.3 million, 87.0% less than FY 2020 (\$9.8 million). This decrease is attributable to the University's response to COVID-19. In an effort to protect its employees Clemson suspended all international travel and discouraged non-essential domestic travel. You will notice from the positions held that several of the top 25 travelers provided COVID-19 testing and/or health outreach.

All education and general travel expenses are funded with federal or other earmarked sources. Public service travel expenses are funded to meet program requirements. Employee travel supports the following activities at Clemson University: enhancing instruction and promoting academic enrichment, research, public service, student programs and recruitment, donor development, and professional development. Many of the federally funded and sponsored programs activities at Clemson University require employee travel to meet external funding requirements.

CLEMSON UNIVERSITY - PUBLIC SERVICE ACTIVITIES

Clemson University expends funds for employee travel to meet, enhance, and carryout the public service missions of the University. Public service travel expenses are funded to meet program requirements. Clemson University – Public Service employee travel expenses reported for FY2021 were \$338 thousand, 70% less than FY2020 (\$1.1 million). This decrease is attributable to the University's response to COVID-19. In an effort to protect its employees Clemson suspended all international travel and discouraged non-essential domestic travel.

COASTAL CAROLINA UNIVERSITY

Travel reported by Coastal Carolina University represents faculty, staff and athletic travel to conferences, seminars, and training sessions, recruiting and the conduct of research and public service activities.

COMMERCE, DEPARTMENT OF

The South Carolina Department of Commerce is the economic development and industrial recruiting arm of the state. Our employees travel to promote economic development for South Carolina.

COMMISSION ON INDIGENT DEFENSE

All travel is for agency related matters, including travel to court throughout the state and other pertinent agency business.

COMPTROLLER GENERAL, OFFICE OF

A small number of Comptroller General's Office personnel participated in management seminars, conferences, and professional development training classes. The latter involved employees earning continuing professional education credit hours required to maintain a Certified Public Accountant (CPA) license.

CONFEDERATE RELIC ROOM AND MILITARY MUSEUM COMMISSION

The South Carolina Confederate Relic Room and Military Museum's travel expenses are necessary for and an integral part of customer service delivery, specifically building attendance to the museum, recruiting school groups to attend the museum, and raising revenue to fund the various operations of the museum. The primary employees who travel and their reasons for travel are:

- (1) Executive Director William Allen Roberson travels primarily to promote the museum, fundraise to support the museum's collection and operation, secure continued support of the museum's core supporters, the United Daughters of the Confederacy and the Sons of Confederate Veterans, and to introduce the museum to various civic groups. He also travels occasionally to conferences, usually in-state to the SC Federation of Museums annual conference.
- (2) Registrar Chelsea Grayburn travels to obtain artifact collections, to secure collections loans for exhibits, and to obtain continual training for the care of the artifact collection. She travels occasionally to conferences, usually in-state to the SC Federation of Museums annual conference and on rare occasion to the Southeastern Museum Conference. Ms. Grayburn is also in charge of the Southern Maritime Collection in the Warren Lasch Laboratory in North Charleston, part of the General Assembly's delineation of responsibilities to the museum. She travels to expediate research requests, for temporary exhibits, and to supervise care and security of the Southern Maritime Collection.
- (3) Administrative Operations Chief Rachel Cockrell usually travels only for training, conferences, or to assist in the transporting of artifacts, for security purposes.
- (4) Administrative Assistant Hilary Brannock usually travels only for training, conferences, or to assist in the transporting of artifacts, for security purposes.

All travel requests are heavily scrutinized and conducted in the most cost-efficient way, to maximize the benefit to the museum and to the museum's supporters and customers. In FY 2020-2021, the South Carolina Confederate Relic Room and Military Museum brought in \$6,191 in donations and revenue as a direct result of travel, which exceeds the total expenses of \$2,849.

CONSERVATION BANK, S. C.

Mr. West traveled throughout the State on several occasions during the year to meet with Land Trusts and landowners to discuss and view potential properties. This task is included in his job description and necessary to gather additional information about applications prior to Board review.

Ms. Larck traveled throughout the State on several occasions during the year to meet with Land Trusts and landowners to discuss and view potential properties. This task is included in her job description and necessary to gather additional information about applications prior to Board review.

Ms. Pennebaker traveled throughout the State on several occasions during the year to meet with Land Trusts and landowners to discuss and view potential properties. This task is included in her job description and necessary to gather additional information about applications prior to Board review.

CONSUMER AFFAIRS, DEPARTMENT OF

Travel expenditures incurred by the Department of Consumer Affairs furthered our mission to protect consumers from inequities in the marketplace through advocacy, mediation, enforcement, and education. Examples of travel purposes include conducting compliance reviews of regulated businesses; making presentations to businesses and consumers regarding consumer protection laws, their respective rights and responsibilities; attending court; attending meetings; attending trainings and performing other job-related functions.

CORRECTIONS, DEPARTMENT OF

Most of our Agency travel for the Deputy Director-level employees is to attend nationally-held correctional conventions. These conventions provide a platform for idea exchange and networking for consultants and other correctional professionals throughout the country. Critical personnel that are required to be present at these conventions such as our PREA (Prison Rape Elimination Act) and other programmatic personnel are also sent to these types of national meetings.

Other Agency employees are sent to various job-specific training seminars that are offered locally or in-State. These would include renewal of professional licenses and maintenance re-certifications.

DENMARK TECHNICAL COLLEGE

The travel report for FY 2020-2021 was used in various capacities for the college. These capacities include travel for employee trainings, State Board Support Organizational meetings and various travels for the President. There were also various trainings that employees attended to adopt new technologies and methods.

The purpose of the travel was to meet the agenda and mission of the college. The meetings can help our organization deliver higher levels of customer satisfaction – boosting our reputation and helping to secure our student retention. The trainings were mandatory for certain employees because they have to be trained how to do their job effectively.

DISABILITIES AND SPECIAL NEEDS, DEPARTMENT OF

During fiscal year 2021 the agency experienced increased in-state travel expenses for staff providing direct support services to the four regional centers because of staff shortages due to the COVID19 pandemic. These expenses included meals, lodging and mileage. The employees temporarily relocated to other regional facilities to assist with day-to-day operations for extended periods of time. Out of state travel costs were minimal due to limited travel. The agency in-state travel expense incurred for professional, or management staff to attend various local, regional and national conferences and training sessions was limited due to the pandemic and many were attended on-line or by video conference. Also, the agency incurred limited in-state travel expense for quality assurance and internal audit functions during the fiscal year.

EDUCATION, DEPARTMENT OF

The SC Department of Education (SCDE) incurs travel expenses in discharging its mission, roles, and functions as defined by state law. SCDE representatives are required to attend national, regional and state meetings, conferences and workshops relating to various state and federal programs. The purpose of these activities is to obtain current information on education issues, gain awareness of the best practices in education, and facilitate collaboration in the education community. In many instances, the federal government mandates attendance at conferences and/or workshops to obtain current federal guidelines,

regulations, and procedures for administering federally funded education programs. South Carolina's receipt of federal education funding is contingent upon attendance at many of these activities and meetings.

SCDE representatives are also required to perform various monitoring/auditing functions and to provide technical assistance to schools and school districts.

EDUCATION OVERSIGHT COMMITTEE

The travel costs incurred by employees of the EOC are directly associated with the agency's charge to support all stakeholders in making informed decisions for the continuous improvement of schools and student outcomes. Although the pandemic limited agency travel, staff often travels the state to inform multiple stakeholder groups of the status of public schools.

EDUCATIONAL TELEVISION COMMISSION

South Carolina ETV is the state's only Statewide public broadcasting network responsible for using multiple on-air and digital platforms to educate, inform and connect South Carolinians to their local communities. We do this by using the camera lens to tell important stories regarding education, health, business, politics, and the environment. SCETV provides national and local content to classrooms via Internet services Knowitall.org, LearningWhy and PBS Learning Media. SCETV also provides teacher training and re-certification in face-to-face and online settings.

The network is also responsible for maintaining and collecting information necessary to expand the use of more than 600 SCETV towers throughout the state.

With 11 television stations and as a member and partner within the national public broadcasting system, SCETV employees must travel throughout the state, nation and abroad. As a member of the National Educational Telecommunications Association, Public Broadcasting System, National Public Radio as well as American Public Television, to name a few, we must work collaboratively to continue to provide high-quality television and radio content for South Carolinians.

ELECTION COMMISSION

As the chief election agency in South Carolina, the State Election Commission (SEC) is tasked with the responsibility of overseeing the voter registration and election processes in the state. Everything that we do as an agency, our programs, and our projects, emanates from these responsibilities. The primary mission and goal of the SEC is to provide the highest level and quality of service possible within our statutory mandates.

Travel was necessary during fiscal year 2020-2021 to provide training and support to county boards of voter registration and election commissions to ensure counties were prepared to conduct elections. In addition, SEC staff travelled to every county in the state to perform upgrades to the state voting system. Travel was also necessary to educate citizens on voting related initiatives. SEC staff attended training and conferences to gain knowledge on election related topics and other issues affecting the agency.

EMPLOYMENT AND WORKFORCE, DEPARTMENT OF

Travel is required by staff to manage SC Works and Comprehensive Centers in multiple counties throughout the state. Regional managers visit various locations to supervise and train employees. Staff must also attend meetings held with employers and agency partners in different counties to connect people with jobs, which is one of the major functions of the agency. On-site visits to businesses are also made to provide help in recruiting and possible hiring event guidance. Job fairs and hiring events in different regions throughout the state require travel to assist with outreaching activities.

FINANCIAL INSTITUTIONS, BOARD OF

The State Board of Financial Institutions examined financial institutions and attended management meetings related to the regulation of such institutions. Employees participated in educational training at FDIC Examiner Schools, the Graduate

School of Banking at LSU, the National Association of Consumer Credit Administrators Examiner School, the American Association of Residential Mortgage Regulators Examiner School and the Nationwide Mortgage Licensing System & Registry User Training Conference. Employees also participated in schools and conferences sponsored by the National Association of Credit Union Supervisors, the Federal Financial Institutions Examination Council, and the Federal Reserve Bank.

FIRST STEPS TO SCHOOL READINESS

All of the expenses were for travel reimbursement which includes meals, hotels, personal mileage reimbursement, and training registrations that were required for their position.

Our 4K Program requires certain staff to attend national and state conferences, as well as regional trainings for teachers, and travel to our 4K private providers on a routine basis. The Local Partnership staff is required to travel to the 46 local partnerships as needed, and the agency requires them to be trained on the programs that their partnerships are providing in order for them to support the efforts. Our management staff is required to participate in multiple events across the state to support and manage our statewide operations. All of the travel reimbursed fell into one of these categories.

FLORENCE-DARLINGTON TECHNICAL COLLEGE

Florence-Darlington Technical College's travel expenditures include travel that enhances the educational mission of the College – both curriculum and continuing education. Out-of-state travel also includes travel related to economic development and federally-funded student enrichment activities.

Travel was paid from local funds and state and federal restricted funds. All travel was authorized according to the guidelines of the College's Manual of Policy/Procedures.

FORESTRY COMMISSION

Employees of the South Carolina Forestry Commission traveling in-state and out-of-state are representing the agency at forestry-related workshops, seminars, and training programs. While enhancing knowledge of forestry programs, employees gather useful data for consideration in South Carolina's forestry community. Other states' programs, objectives, and educational materials are studied. Travel also includes meeting with potential forest products industries who may be interested in South Carolina as a possible location for future plants.

Keeping abreast of other states' plans, continuing education in the forestry field, and representation of forestry in South Carolina at forest industry trade shows are the primary reasons for out-of-state travel in the agency. Attendance is also required at Forest Cooperatives and various forestry organizations in which the agency holds membership. Travel to meetings is by automobile, official and/or private, and small portion by plane.

FRANCIS MARION UNIVERSITY

Francis Marion University supports out-of-state travel for faculty and staff for the purposes of student recruitment, faculty and staff development, and participation in various academic, athletic, artistic, and professional forums that bring recognition to the University and the University community.

The University has a faculty of outstanding quality and diversity and supports faculty development through scholarship and research, continuing professional study, and participation in a wide range of academic endeavors. The University is also committed to providing continuing education to staff through attendance at workshops, conferences, and other developmental opportunities.

GOVERNOR'S OFFICE - EXECUTIVE CONTROL OF STATE

The Governor's Office, Executive Control of the State (ECOS) is responsible for administering executive functions to enhance the quality of life for all South Carolinians. Staff travel is necessary to provide the Governor and Lieutenant

Governor with administrative support, travel coordination, and to represent and communicate the Governor's official policies and positions with local, state and federal government officials, businesses and organizations, and to the citizens of the state. All staff travel expenditures are carefully scrutinized and pre-approved to ensure that they are for official business, necessary and reflective of the Governor's commitment toward efficient state government. In FY 2020-2021, ECOS incurred \$1,227 in in-state travel.

GOVERNOR'S SCHOOL FOR AGRICULTURE AT JOHN DE LA HOWE

All the Governor's School for Agriculture at John De La Howe School travel requests are thoroughly examined to ensure they are necessary to meeting and advancing the mission of the school.

The school's fiscal year 2020-2021 travel provided employees learning, training, required meetings and/or staff-development opportunities for the agency's benefit.

GOVERNOR'S SCHOOL FOR SCIENCE AND MATHEMATICS

The Governor's School for Science and Mathematics (GSSM) provides travel for a number of employees in order to fulfill the duties of the school in accordance with state law. In order to include as many students as possible throughout the state of South Carolina, teachers and staff travel all around the state to provide books, materials, conferences and tutorials with students in our Accelerate (virtual) program. In addition, we provide summer camps at locations throughout the state, which requires travel on the part of staff. Further, our residential juniors participate in summer research projects at locations in the state, country and internationally. We also recruit the entire state of South Carolina to find our next classes of students.

Our faculty and staff are also required to participate in staff development, which requires them to travel to conferences and workshops in the state and country. In some cases, our faculty and staff make presentations at these conferences.

GOVERNOR'S SCHOOL FOR THE ARTS AND HUMANITIES

The Governor's School for Arts and Humanities incurs travel expenses for employees to fulfil their job duties. Travel expenses are incurred for the admissions department for recruiting and auditions. Travel expenses are incurred for the dance department for student dance competitions and outreach. Travel expenses are also incurred for professional development and outreach.

GREENVILLE TECHNICAL COLLEGE

The majority of the College's travel is for attendance at training and conferences. The College is expected to have representation at regional and national conferences and many times has presenters who share best practices within their area of expertise. The purpose of the conference and training trips is to allow employees to keep current with the nation's trends in higher education, software development and technology changes in the various academic disciplines. Out of state travel is sometimes necessary for employees to attend meetings, conferences, and workshops that are required to obtain and maintain college and program accreditation.

Faculty travel to student clinical/work experience sites is one of the top three travel expenses. It should be noted that approximately 70% of college funded travel is directly attributed to instructors, deans and academic department heads. The college utilizes grant funds, whenever possible, for employee training and development. Approximately 31% of funds used for travel are from grants.

HEALTH AND ENVIRONMENTAL CONTROL, DEPARTMENT OF

DHEC employees are required to travel as part of their jobs to provide direct patient care, inspections and other oversight activities for the protection of the public's health and our environment. Travel is also needed to assure adequate training for staff to provide services. Some of the services we provide in the state's 46 counties include inspections of community residential care facilities, nursing homes, water and sewer systems, environmental waste sites, restaurants, septic tanks, hospitals, renal dialysis centers, adult day care centers, x-ray facilities, residential treatment facilities for children, Emergency

Medical Services locations, tuberculosis therapy, investigation of food-borne illnesses, communicable disease investigations, disease contract tracing, rabies, disaster and medical needs shelter support, and others.

Each out-of-state trip on agency business by a DHEC employee must be justified and approved by several managers in advance to ensure that the trip is warranted and will benefit the agency and the State of SC. Employees that do travel out-of-state meet with other state, regional, federal, public and industrial officials as well as attend meetings of various organizations relating to specific programs or services. They are called upon for their leadership and expertise. Further, many of these trips are to attend training sessions to remain current with applicable rules and regulations of our federal partners. Some of these federally-sponsored training sessions are required for our staff to attend. Through collaboration and the exchange of information, these meetings provide a forum to improve the consistency and effectiveness of South Carolina's regulatory and health programs.

HEALTH AND HUMAN SERVICES, DEPARTMENT OF

In-state travel expenses are incurred as part of job requirements and training. Registered nurses are required to travel to conduct client, hospital, and nursing home visits as well as to perform assessments for home and community based services. Regional eligibility administrators are required to travel to multiple counties in their region to meet with staff and oversee administrative and program activities as well as attend monthly staff meetings in Columbia. Regional eligibility workers are required to travel to multiple community sites in their region to process Medicaid applications. Regional eligibility workers are also required to travel to multiple venues and attend mandatory training for the agency's eligibility software (Curam). Program staff also travel when performing on-site compliance reviews and quality assurance reviews with providers. Additionally, employees travel to complete professional training, certification requirements, as well as assess the numerous training programs located throughout the state.

Out of state travel expenses are incurred because the Agency Director, Deputies, and other staff are required to attend out of state conferences regarding Federal Mandates, Health Care Information Technology, Managed Care, Medicaid Eligibility and Professional Development. On occasion, agency staff are requested to make presentations in Medicaid conferences attended by other states.

HIGHER EDUCATION TUITION GRANTS COMMISSION

During the 2020-2021 fiscal year, the Higher Education Tuition Grants Commission incurred travel expenses in three specific areas: 1) training and professional development, 2) general meetings, and 3) general agency business.

Due to the ongoing COVID-19 pandemic, conference travel was eliminated during the FY21 year, and other travel was greatly curtailed. Within the three areas outlined above, the following breakdown of travel took place. First, limited training and informational presentations at Financial Aid Night Programs and High School Guidance Counselor Workshops to provide students, parents, and guidance counselors program information to assist with applying for Tuition Grants. In addition, agency personnel maintained their memberships in professional associations, allowing for both staff development, as well as program-related outreach and training opportunities. The agency's Deputy Director was provided the opportunity to participate in the State's Human Resources Professional Development program, and costs associated with that are also reflected in the travel report as a registration fee. Second, travel to general meetings included required meetings with state legislators and Commission members, in addition to meetings with college presidents and staff from eligible colleges, and required meetings of the Executive Board for the South Carolina Association of Student Financial Aid Administrators. Fourth, travel expenses included additional travel to meet the agency's general business needs including printing, purchasing, and information technology needs.

HIGHER EDUCATION, COMMISSION ON

CHE staff travel to workshops and conferences for training and presentation purposes. Some staff travel as officers of regional and national committees and associations. Staff also travel for Commission administered state and federal programs. Per proviso 3.1, our auditor travels to all the institutions of higher learning on a three-year rotational basis to complete compliance audits. Our Executive Director/ President travels to promote the agency and foster relationships with the institutions and legislative representatives.

HORRY-GEORGETOWN TECHNICAL COLLEGE

Travel expenses were approximately 68% less than the previous FY 19-20 due to the COVID-19 pandemic.

HGTC maintains three campuses in Horry and Georgetown counties, with the Georgetown Campus being located approximately 45 miles from the other two campuses. As such, travel between these sites is considered a necessary and reimbursable business expense. To that end, approximately 60% of the top 25 travelers were academic leaders/professors who commuted between our three campuses providing student instruction and/or academic support.

Two of the top 25 travelers were required to travel as part of Federal Grants and was financially funded under those grants (no state dollars expended).

The remaining travel costs were attributed to commutes for required meetings, which included SC Technical College System peer group meetings and retreats, liaison to peer group meetings, marketing and recruiting initiatives, community engagement, and professional/training seminars. Top level administration conducted travel for Foundation visits, and legislative meetings in Columbia and within the region.

HOUSING FINANCE AND DEVELOPMENT AUTHORITY

The South Carolina State Housing Finance and Development Authority (SC Housing) has several reasons for employees to travel. Travel is needed to inspect properties to verify the safety, quality, and compliance of beneficiary homes. Additionally, staff travel to the community to educate stakeholders and the general public about SC Housing programs and services. Travel for inspections and community engagement is essential to our mission. Finally, travel to training is needed in order to stay abreast of changing industry requirements and practices, ensuring that the agency's complex programs are administered in the most impactful, efficient, and cost-effective manner. Out-of-state travel is often needed when training courses, particularly those hosted by national organizations and trade associations, are not provided in-state. In such cases, travel justifications must reflect a value-added benefit that is not otherwise available through in-state resources. It is important to note that SC Housing services all 46 counties from a single, central office location in Columbia, South Carolina.

Since the continuation of the COVID-19 pandemic, SC Housing has reduced travel by eliminating unnecessary travel, conducting online meetings through WebEx, and participating in virtual training and on-line courses. The inspectors still need to conduct some on-site examinations of property repairs. However, these are being conducted using proper social distancing guidelines.

HUMAN AFFAIRS COMMISSION

The South Carolina Human Affairs Commission travel allows employees to attend necessary training in the areas of housing, employment, and public accommodation to effectively investigate cases of discrimination in these areas based on protected classes. The travel costs can include registration fees, transportation, meals, lodging, and mileage reimbursement for the employee to participate in the training environments.

INSPECTOR GENERAL, OFFICE OF

With exception of a mileage reimbursement for our administrative coordinator, the remaining expenditures for the other seven employees consisted of registration fees for the annual conference of the Association of Certified Fraud Examiners, which was conducted virtually. Three of the seven employees have become certified fraud examiners and the remaining four employees attending the conference are studying to become certified fraud examiners.

INSURANCE, DEPARTMENT OF

There was very little travel during FY21 as Covid continued to impact off-site meetings and travel. However, several in-state events (Disaster Preparedness/Storm Readiness) were held that accounted for most of the travel charges. In-State Registrations for virtual learning were taken advantage of during the fiscal year.

JOBS-ECONOMIC DEVELOPMENT AUTHORITY

Travel for the South Carolina Jobs-Economic Development Authority for fiscal year 2020-21 was incurred by the Chief Executive Officer of this agency. The trips were made to economic development conferences (both in person and virtual) and banking and financing institutions in accordance with JEDA's mission.

JUDICIAL DEPARTMENT

Travel expenditures were necessary in order to facilitate adequate and constitutionally mandated judicial rotation involved in holding court. Other Judicial Branch employees attended seminars related to their job responsibilities.

JUVENILE JUSTICE, DEPARTMENT OF

The following groups may accumulate travel expenses due to their job duties/responsibilities: juvenile correctional officers, juvenile parole board members, management and their designated assistants, and specialized employees like trauma informed care advisors. First, Juvenile Correctional Officers are required to attend employee orientation followed by basic training, in order to, perform job functions required of them due to their position. Individuals not stationed in Columbia, SC and would be required to travel for orientation, emergency shifts and training.

Second, parole board members regularly travel for board meetings, in order to, assist in carrying out their appointed duties. Third, quality assurance specialists, are specialized and may need to travel to develop their skills through coursework for the benefit of the agency. As an example, management may also need to develop their skills through Certified Public Manager training, provided by the Department of Administration, to achieve a higher quality of production in the Department of Juvenile Justice.

LABOR, LICENSING AND REGULATION, DEPARTMENT OF

SC LLR travel is primarily for OSHA inspections and training, State Fire Marshal inspections, State Fire Academy Training and Professional and Occupational Board related inspections and training. Additionally, Agency employees may travel for conferences or training for professional development/training related to their duties. Certain State Fire employees may be deployed to in-state or out-of-state disasters, as directed by mutual aid agreements.

LANDER UNIVERSITY

Travel reported by Lander University represents faculty and staff travel to conferences, seminars, training sessions, recruiting both academically and athletically, supervision of student field work, conduct of research and public services activities. Non-state employee travel represents reimbursable travel costs for individuals providing services to the college as well as human resource recruitment travel related expenditures. Non-state employee travel excludes study abroad, study tour and athletics student travel.

University representations at required meetings for the Southern Association of Colleges and Schools (SACS), the National Association of Colleges and Universities Business Officers (NACUBO), the Southern Association of Colleges and Universities Business Officers (SACUBO), and the American Society of Colleges and Universities (ASCU) Business Administration by American Assembly of Collegiate Schools of Business - International Association for Management Education, Nursing by National League for Nursing, Inc., Visual Art by National Association of Schools of Art and Design; Music by National Association of Schools of Music, all Teacher Education programs by National Council for Accreditation of Teacher Education; Athletic Training by Joint Review Committee - Athletic Training (JRC-AT) are vital to the educational accreditation and financial health of the university.

LAW ENFORCEMENT TRAINING COUNCIL

The mission of the Law Enforcement Training Council (SC Criminal Justice Academy) is to train Criminal Justice personnel by providing mandated training and a continuous certification process. In many cases it is less expensive for CJA training personnel to travel to conduct classes in municipalities than for participants to come to Columbia. Also, to teach effectively,

the CJA trainers are required to travel to conferences and participate in certification procedures to remain current in their particular areas of expertise. The majority of both in-state and out-of-state expenditures for the top 26 (which include nine Law Enforcement Officers employed by State, counties, or municipalities) are related to certification as Drug Recognition Experts. These expenses for this training were paid utilizing a DRE grant.

Other than providing outside training or attending conferences or certification programs related to Law Enforcement, some employees attended training to become Certified Public Managers, or other classes to maintain certifications.

LEGISLATIVE DEPARTMENT - HOUSE OF REPRESENTATIVES

All in-state travel consists of mileage and subsistence paid to these members in the function of their regular duties as members of the South Carolina House of Representatives and in performance of their regular official duties and in performance of special duties assigned to them pursuant to committee meetings, administrative tasks, etc. Statutory and Constitutional provisions require payments of mileage and subsistence to members in these circumstances.

All out-of-state travel consists of registration fees for conferences, workshops, task force meetings, etc. that members attend in their official capacities. At these events they heard from and were guided by the knowledge of experts and the experiences from colleagues in other states. These events also allow South Carolina members to develop networks of contacts across the country so that they may continue to effectively and efficiently cooperate with other states and learn from their experiences after the events have concluded. Furthermore, costs associated with certain House Member's services on the Public Utilities Review Committee are reimbursed by the Public Service Commission pursuant to statutory law.

LEGISLATIVE DEPARTMENT - LEGISLATIVE AUDIT COUNCIL

The S.C. Legislative Audit Council follows the Government Auditing Standards by the U.S. Government Accountability Office. These professional standards are the framework for conducting high quality audits with competence, integrity, objectivity, and independence. To uphold these standards, LAC auditors are required to complete 80 hours of relevant continuing professional education every two years.

LEGISLATIVE DEPARTMENT - LEGISLATIVE SERVICES AGENCY

LSA maintains a large computer network for the legislative branch of government. All travel by employees of LSA is to attend various training classes and seminars to stay abreast of changes in technology.

LEGISLATIVE DEPARTMENT - THE SENATE

The South Carolina Senate travel for FY 2021 is mainly for elected Senators traveling to and from their home districts for legislative session days. They are paid a daily subsistence and /or reportable subsistence rate and one round-trip mileage payment for every week they are in attendance. Other travel reported for Senators is for non-session committee travel associated with Senate or State business. This travel may include mileage payments, reportable subsistence payments, subsistence payments and per diem payments for the date claimed. Of the reported members, the Senate had 1 senator attend a Corrections Committee Program Meeting in Kansas City, MO and 1 senator had registration paid for the ALEC Annual Meeting in Salt Lake City, Utah.

LIBRARY, STATE

The South Carolina State Library's Vision is to develop, support, and sustain a thriving statewide community of learners committed to making South Carolina stronger. Our mission is to serve the people of South Carolina by supporting state government and libraries to provide opportunities for learning in a changing environment. Our focus is on innovation, collaboration, participation, and preservation.

The staff of the South Carolina State Library provides guidance, training, and expert consultation to public libraries, schools, state agencies, and other organizations in our state. Travel expenses incurred are in support of continuing education, statewide training, conference presentation, and promotion and demonstration of library programs. Travel is necessary to promote our educational resources, Talking Book Services program, grant program, state documents depository, federal documents

depository, and many other programs that we offer. Traveling to conferences and around the state conducting consultations and training is imperative to our overall ability to meet the Mission, Vision, and Strategic Plan for the South Carolina State Library.

All travel is planned and approved by executive management before the start of the new fiscal year. Additionally, staff frequently apply for travel grants available through various organizations when appropriate, to offset the costs associated with travel.

LOWCOUNTRY TECHNICAL COLLEGE

The Technical College of the Lowcountry (TCL) serves a four county area including Beaufort, Jasper, Colleton and Hampton counties. Situated in the lowcountry of South Carolina, the TCL main campus is located near the center of the city of Beaufort, and is confined by the waterways and limited highway infrastructure. As a result, travel to the other campuses requires 24 miles travel one way to New River and 45 miles one way for the Hampton Campus. Travel to Columbia to attend required State meetings results in a round trip of almost 280 miles. Due to COVID-19, travel was restricted and the total spend for the College for 2020-2021 was \$39,646. The prior fiscal year TCL spent \$163,863 on travel. Travel spend was reduced \$124,217 or 76%.

In-State Registration Fees for seminars and conferences are \$16,124 or 41% of total travel, the majority of which were completed virtually. Mileage costs are \$5,601 or 14% of total travel primarily for travel between campuses.

Out-of-State travel was \$17,921 which equates to 45% of total travel for 2020-2021. \$16,777 was for out-of-state registration fees and again, the overwhelming majority of the seminars and conferences were completed virtually.

MEDICAL UNIVERSITY HOSPITAL AUTHORITY

The Medical University Hospital Authority is part of a comprehensive Academic Health System, that integrates learning, health care and health promotion across the MUSC Health Enterprise. MUSC's purpose is to preserve and optimize human life in South Carolina through MUSC's vision to lead health innovation for the lives touched.

Denise Kennington, Community Outreach Coordinator, was the Medical University Hospital Authority's top traveler for the FY 2020 – 2021, spending \$11,018.73. Denise's travel was supported by pre-budgeted funds allocated for travel for the FY 2020 – 2021 fiscal year from revenue.

For the FY 2020 – 2021 fiscal year, funds from Revenue generated by the organization paid close to \$393,000 in travel expenses. Most travel expenses included mileage, registration, meals and lodging.

MEDICAL UNIVERSITY OF SOUTH CAROLINA

As an Academic Health Science Center, the Medical University of South Carolina pursues three interrelated missions – education, research, and clinical service. Emily Gottfried was MUSC's top traveler in FY21, spending \$5,731.89. Her travel was supported by other funds.

For FY 2020-2021, federal funds paid approximately \$424,888 in travel or 21%, other funds paid approximately \$1.45 million or 71%, and state funds paid for \$177,160 or 8%. The majority of travel expenses were for airfare and lodging.

MENTAL HEALTH, DEPARTMENT OF

The majority of travel for this year's report is made up of the following programs: SC HOPES, South Carolina Youth Suicide Prevention Initiative, and the Mobile Crisis Program.

The SCDMH SC HOPES is a FEMA/SAMHSA (Substance Abuse and Mental Health Services Administration) grant funded program to conduct outreach services to communities adversely affected by COVID-19 pandemic. The staff travel to communities across the state's 46 counties to provide disaster related counseling and to assist survivors with identifying resources to meet the survivor's needs. Traveling in pairs, the staff perform this outreach service using their personal cars as

these are temporary grant-funded staff and given time limitations and training restrictions due to COVID-19, it was not possible to have staff complete the driver training required to operate state vehicles.

The South Carolina Youth Suicide Prevention Initiative is a federal grant funded program of the Department of Mental Health (DMH). SAMHSA, a division of the U.S. Department of Health and Human Services funded a SCDMH grant request aimed at reducing the incidence of suicide among youth and young adults ages ten to twenty four in South Carolina. The Initiative promotes strength, resiliency, and hope for young people and their families by developing collaborative partnerships with statewide community-based organizations, state and local agencies, schools, churches, hospitals, inpatient facilities, academic institutions and many others who work together to reduce the incidents of suicide in youth and young adults throughout our state. Much of the travel relates to staff providing information and education about suicide and its prevention to schools, churches, and other community organizations around the state.

The Mobile Crisis service provides adults and children with clinical screening either in person at the location of crisis, in person at a Community Mental Health Center (CMHC) clinic, or telephonically, in order to de-escalate the crisis and provide linkage to ongoing treatment and other resources. The service is available twenty-four hours a day, three hundred sixty-five days a year. Mobile Crisis staff work closely with local law enforcement, judges, hospitals, other community partners and other mental health providers when not performing direct crisis services to identify areas of need, build relationships and resources with community partners. Mobile Crisis staff do a significant amount of outreach, as well as responding to crisis situations on-site, so travel is a necessary part of the program.

MIDLANDS TECHNICAL COLLEGE

Midlands Technical College serves approximately 12,000 credit and approximately 14,000 noncredit students in Richland, Lexington and Fairfield Counties. The college's mission is to provide accessible, affordable, high quality post-secondary education that prepares students to enter the job market, transfer to senior colleges and universities, and achieve their professional and personal goals. Through its programs and services, the college equitably provides higher education opportunities and strengthens the economic and social vitality of the community.

Please note that Midlands Technical College does not use its state allocation funds for travel. Travel incurred for the reporting year provides professional development opportunities that enhance employee skills and abilities to become innovative leaders in their respective areas, to ensure that faculty and staff are able to transfer knowledge to students that are current and relevant and to learn new tools to enhance efficiencies while contributing to the college's overall mission and vision. Travel also allowed the college to serve its constituents in remote parts of the college's service area.

Due to the COVID-19 pandemic, the college received refunds for canceled pre-paid travel that was paid in the prior fiscal year. These refunds are reflected on the travel report as credits.

MINORITY AFFAIRS, STATE COMMISSION FOR

The Commission for minority Affairs conducts statewide outreach services to African Americans, Native Americans, Hispanic Latinos and Asian American communities. We are required to attend events, conferences, and training statewide to educate the public and disseminate information about who we are as an agency and what we offer the populations we serve. We reached the populations we serve in person and through social media. We partnered with the Census Bureau to conduct outreach in Native American communities. During COVID we partnered with other state agencies (DHEC, DSS, Employment and Workforce) to distribute PPE (masks, hand sanitizer, etc.) and other COVID related items to rural isolated communities. We had a presence distributing COVID safety information at food giveaways, popup testing sites and pop up vaccination sites. Over the last year in an effort to reduce the spread of COVID, much of our out of office meetings have been held in small group settings which increased the number of in person meetings to avoid large crowds. There were very little overnight stays in 2020, mostly day travel. Our outreach efforts increased in early 2021 when COVID cases subsided. Staff has resumed most of its normal outreach routine in person and travel is expected to increase accordingly.

MOTOR VEHICLES, DEPARTMENT OF

In carrying out its mission, the Department has numerous on-going projects with other entities to include the insurance and banking industries, automobile dealerships, as well as, county and state government agencies. Many projects include extensive technological interfaces established and maintained by the Department. The Department's executive management

staff and employees spend time working with executives and representatives from these entities establishing these projects.

In addition to the projects described above, the Department is responsible for administering, monitoring, and/or auditing various programs such as International Fuel Tax Agreement, International Registration Plan, third-party testers programs, driver training schools, etc. As a result, employees are required to travel to many locations throughout the state on a routine basis in order to carry out duties of these programs as outlined in federal and state laws and regulations. Furthermore, DMV has a continued commitment to train our employees on the laws, rules and regulations, which govern our Agency, as well as send employees to needed areas to reduce wait times during high peak seasons. Additionally, DMV's executive management serves on various committees and boards within the American Association of Motor Vehicle Administrators which require attendance at various meetings and conferences held around the country.

MUSEUM COMMISSION, STATE

The South Carolina State Museum incurs several types of in state and out of state travel that benefit the mission of the agency. Staff attends educational seminars and conferences to further their knowledge in museum education, training, administration, marketing strategies and gift shop merchandising which keeps them abreast of the most recent advancements and progress in successful museum operations.

NATURAL RESOURCES, DEPARTMENT OF

DNR employee travel, in state, includes travel to public awareness and community outreach meetings; Natural Resources Board meetings; meetings with local and regional governmental representatives; performing research activities; attending conferences, classes and seminars to further knowledge and effectiveness of staff while performing their duties; supporting state efforts in response to natural disasters and other enforcement operations.

Employee travel out-of-state includes attending regional and national conferences; serving on regional commissions; collaboration with other state resource agencies and commissions to perform regional resource studies; attending conferences, classes and seminars to further knowledge and effectiveness of staff while performing their duties; and performing security duties.

NORTHEASTERN TECHNICAL COLLEGE

Northeastern Technical College incurred most of its travel for the purpose of employees attending meetings, professional development, workshops, and conferences to enhance teaching and technological skills as well to discuss issues pertinent to higher education, such as budgeting and accreditation. State allocated funds are not used for travel expenses.

ORANGEBURG-CALHOUN TECHNICAL COLLEGE

The faculty and staff of Orangeburg-Calhoun Technical College are members are numerous national and regional organizations. These faculty and staff attend various meetings, workshops, and seminars throughout the year. These meetings are often out-of-state and provide excellent professional development opportunities for employees. Admissions staff also travel to various locations to recruit Orangeburg-Calhoun Technical College Students.

All out-of-state travel is directly related to Orangeburg-Calhoun Technical College's employees' job duties and their participation in these national and regional meetings encourages interaction with others in similar positions.

PARKS, RECREATION & TOURISM, DEPARTMENT OF

The Department has a number of program areas that involve domestic and international travel. Tourism Sales and Marketing is charged with attracting visitors to South Carolina as a travel destination. Employees travel domestically and internationally to trade shows, media events and to represent the state with many travel/tourism organizations. SCPRT also manages the Welcome Centers at the entry points into South Carolina. The Parks and Recreation Development Fund, Recreational Trails program and the Land and Water Conservation Fund housed in the Recreation Grants and Planning Office works throughout the state to attract tourism businesses and works with local communities on the development of recreational facilities.

The central operations of the State Park Service must travel to 47 state parks to oversee operations, personnel issues and attend community meetings. The State Park Service employs a construction and maintenance staff that travels the state performing new construction, renovations and repairs throughout the park system.

PATRIOTS POINT DEVELOPMENT AUTHORITY

Patriots Point Development Authority's travel expenses fall into three main categories. The first category consists of expenditures related to travel to and from meetings hosted by professional organizations specifically related to Naval and Maritime museums such as the Historic Naval Ships Association and the Southeastern Registrar's Association related to museum collections. These organizations are for museum professionals responsible for managing naval museums and museum collections. The second category is related to public relations and marketing. The Museum is a major tourist attraction in the Charleston area, staff attends statewide, regional and national travel related shows to promote the Museum as one of the premier attractions in the area. The third category is meeting with state and national elected officials regarding the agency.

PIEDMONT TECHNICAL COLLEGE

Piedmont Technical College has, as a part of its Strategic Plan, the professional development of its faculty, staff, and administrators. There is often the need for employees to attend workshops, conferences, or meetings both in-state and out-of-state for required purposes of training, accreditation, certification, or knowledge enrichment. The College also has a number of state and federal grants that require employees to travel and these expenses are reimbursed by the associated grant.

Piedmont Technical College promotes travel for professional development that will have a direct impact on the success of our students and the sustainability of the College. As such, the College's operating budget includes a minimal amount of funding for professional development. All travel must be approved in advance, and any out of state travel requires supervisory approval, President's approval, and assurance that the travel relates to the employee's job performance and/or the College's mission.

PROBATION, PAROLE, & PARDON SERVICES, DEPARTMENT OF

Fiscal Year 2021 travel for the Department was related to new agent hires to/from the Criminal Justice Academy, conferences, training, and day-to-day operations including home visits, non-custody transports, physical responses, and in-state and out-of-state extraditions.

PROSECUTION COORDINATION COMMISSION

In-state travel during Fiscal Year 2021 consisted of Commission meetings, meetings with the sixteen Judicial Circuit Solicitors, the prosecution of criminal cases throughout the state as well as educational training and professional development programs. Out-of-state travel during Fiscal Year 2021 was limited to bi-annual meetings of the National Association of Prosecutor Coordinators, meetings of the National District Attorneys Association as well as educational training and professional development programs. These types of travel expenses are representative of both past and future expenditures.

PUBLIC EMPLOYEE BENEFIT AUTHORITY

For FY21, the majority of both in-state and out-of-state travel was incurred for continuing professional education and participation in professional organizations for the agency's CPAs, CIAs, attorneys, Board Members, IT professionals and other senior staff.

In addition, some staff members must travel in-state in order to provide education and/or training to state and local government administrators and system members, as well as to conduct employer audits. Also, the agency is governed by an 11 member Board that meets quarterly for routine Board and Committee meetings and which are reimbursed for travel and expenses.

PUBLIC SAFETY, DEPARTMENT OF

In FY21, travel expenditures were incurred for officers attending specialized courses such as crash data retrieval, polygraph training, police command classes, canine certification sessions, and leadership seminars. Members of the Highway Patrol worked on the Executive Protection Detail for the Governor's Office which comprised of traveling around the United States to various affairs. Employees of the agency's Office of Professional Responsibility division attended police internal affairs courses.

The State Transport Police (STP) and the Office of Highway Safety and Justice Programs (OHSJP) are highly grant funded divisions and training for these employees are regularly required. STP members attended several federal motor carrier training and safety classes during the year. OHSJP employees made their presence known at the 2021 Carolina Country Music Fest promoting highway safety initiatives to spectators. Additionally, staff attended federal training courses on highway safety and program management, law enforcement seminars and juvenile justice conferences.

PUBLIC SERVICE COMMISSION

The Public Service Commission of SC is responsible for the regulation of the state's public utility companies. Its mission is: To Serve The Public Of South Carolina By Providing Open And Effective Regulation And Adjudication Of The State's Public Utilities, Through Consistent Administration Of The Law And Regulatory Process.

In order to meet the Commission's mission, Commissioners and staff attend national conferences and meetings regarding utility rate setting, energy trends, resource uses and new and existing energy sources. To regulate the utility companies, the Commission's staff must keep abreast of the latest techniques, technologies and trends in this industry. The Commission staff must also be aware of local, regional, and statewide effects of changes in the industry, which also includes travel within the state as well as out of state. Due to Covid-19, travel was limited to virtual conferences and training.

REGULATORY STAFF, OFFICE OF

The Office of Regulatory Staff's travel expenditures are primarily related to professional education and continuing education to maintain professional competence of ORS staff necessary to accomplish the ORS Mission. Additionally, the agency incurs expenses for the following purposes:

1. Physical safety inspections of SC pipelines and railroads.
2. Physical inspections & promotion of broadband Infrastructure projects under the CARES ACT.
3. Maintaining the responsibilities of the SC Energy Office in supporting SC energy policy.

RESILIENCE, OFFICE OF

The S.C. Office of Resilience is tasked with developing, implementing, and maintaining the Statewide Resilience Plan with a goal of coordinating statewide resilience and disaster recovery efforts with the federal, state, local and non-governmental entities. All travel expenditures incurred are in direct support of this goal.

Normal business travel includes attending conferences and training to further develop staff in the areas of weather-related events, supervisory skills, etc. Staff will attend meetings with political leaders, community outreach groups and other partners to coordinate statewide resilience. State fleet vehicles are primarily used by staff but POV reimbursements are needed when fleet vehicles are not available.

RETIREMENT SYSTEM INVESTMENT COMMISSION

The Retirement System Investment Commission has exclusive authority to manage the assets for the trust fund. A necessary part of investing the \$39 billion of assets under management is conducting due diligence for new and continuing investment managers. Due to continuing issues associated with COVID, staff travel to investment managers offices has continued to be

primarily replaced with video conference calls. For FY2021, the majority of travel expenditures were incurred from registration fees associated with employees attending virtual training and/or certification exam registration expenses. These expenses help ensure our investment knowledge and expertise is up to date in order to perform our fiduciary duty.

REVENUE AND FISCAL AFFAIRS OFFICE

The SC Revenue and Fiscal Affairs Office has diverse responsibilities in gathering, researching, maintaining, and providing independent and professional analysis, information, and reports to state and local officials regarding demographic, economic, redistricting, financial, geodetic, health and other data. This data is used in developing public policy, fiscal stability, and effective administration of programs. Field crews in our Geodetic Survey section travel across the state to gather field data to ensure the integrity of geodetic controls throughout South Carolina. Other additional travel expenditures were related to the Business Services section, Health and Demographics Division, the CMRS E911 section, and the Digital Cartography and Precinct Demographics section. Due to the complexity of agency functions, required attendance to seminars, training, and conferences are necessary in order to keep staff amongst all divisions up-to-date on the latest technologies and developments in their respective fields.

REVENUE, DEPARTMENT OF

The Department of Revenue (DOR) incurred travel expenses during FY 2020-2021 in support of the agency's mission to administer the revenue and regulatory laws of the State, as well as to collect the tax revenue due to the State. Tax Auditors and Revenue Officers were the primary employees that incurred DOR's travel expenses. These employees are responsible for tax compliance and enforcement, audits and investigations, the collection of delinquent taxes, and the review and appraisal of all real property of manufacturers across the State.

RURAL INFRASTRUCTURE AUTHORITY

The SC Rural Infrastructure Authority (RIA) was created to help close the gap in financial resources for infrastructure improvements and lay the groundwork for economic development in the state. Travel expenses fall into three categories: providing direct customer assistance to communities; providing workshops and training at conferences where customers can learn about RIA programs; and providing professional development training opportunities for the RIA staff.

SCHOOL FOR THE DEAF AND THE BLIND

The travel experienced by the employees listed was job-related. These employees were traveling to perform their job duties in areas such as transporting students to and from campus, serving as itinerant teachers in school districts, delivering additional outreach services, providing early intervention services, meetings at our Spartanburg, Columbia or Charleston locations, and carrying out additional job duties that required travel for trainings, professional development, presentations, conferences, meetings, etc.

SEA GRANT CONSORTIUM

All Consortium travel expenditures are sustained through federal or other funding sources (no state dollars are expended for Consortium travels) and are required for personnel associated these with grants/contracts to perform necessary duties corresponding to activities originating from the award functions. Additionally, the Consortium Director also meets with numerous constituents throughout the state/region and in Washington D.C. where our national NOAA Sea Grant office resides.

The majority of these costs originate from terms and conditions as designated within our federal award/contract agreements and include expenses such as in-state trips to meet with stakeholders in local communities, attendance at conferences in- and out-of-state, and travel needs for our Extension team to meet with constituents throughout the state/region. The Knauss fellows receive a travel allowance per their annual award agreement and utilize these monies to fulfill aspects of their post-graduate program.

Lastly, Sea Grant utilizes our state fleet vehicles (3) and state contract rental agencies as much as possible in order to cut down on reimbursement costs associated with personal vehicle mileage. The Consortium has eliminated all unnecessary travel costs not associated with our agency's mission and goals and will continue to be frugal with these funds going forward as well.

SECRETARY OF STATE, OFFICE OF

The mission of the Secretary of State's Office is to provide innovative technology to enhance the transaction of business in the state, to serve the business community and members of the public with prompt and efficient customer service, to protect the charitable donors of South Carolina, to commission notaries public, and to fulfill all other statutory duties of the office. In serving that mission, the agency incurred both in-state and out-of-state travel expenses for FY 2020-21.

Travel expenses for Secretary Hammond included expenses for meetings, conferences, events and speaking engagements in his capacity as South Carolina's Secretary of State, including meetings and conferences for the National Association of Secretaries of State (NASS). Secretary Hammond also travels throughout the state to meet with members of the public and provide information on the services provided by the agency.

Travel expenses for other staff members included expenses to attend conferences and trainings related to the statutory duties of the office. This past year, due to COVID and travel restrictions, travel expenses included online registration fees for virtual training sessions to promote employee development, which in turn benefited the agency and its service to the State of South Carolina.

SOCIAL SERVICES, DEPARTMENT OF

Out of State travel included airline tickets, registration, lodging and subsistence for program staff who are required by various federal oversight agencies, to attend mandatory training. Program areas requiring such travel are as follows: Temporary Assistance for Needy Families (TANF), Supplemental Assistance Nutrition Program (SNAP), Early Care and Education, Integrated Child Support Services, Child Welfare and Adult Protective Services (APS). Out of State travel also included costs to accompany minor children in DSS custody to and from out-of-state foster homes and/or treatment facilities.

In-State travel consisted of lodging, registration, meals and mileage for SCDSS client-related activities as required by federal programs. In-State travel also included a limited amount of mileage for our training staff to travel to locations across the state to provide on-site staff training.

SOUTH CAROLINA STATE UNIVERSITY

The majority of out-of-state travel as it relates to South Carolina State University is for conferences, workshops and seminars. These relate to faculty and staff across the campus and are necessary for the development and knowledge of the attendees to ensure that the programs at the University are operating with the most current regulations and best practices.

SOUTH CAROLINA STATE UNIVERSITY - PUBLIC SERVICE ACTIVITIES

The majority of out-of-state travel as it relates to South Carolina State University is for conferences, workshops and seminars. These relate to faculty and staff across the campus and are necessary for the development and knowledge of the attendees to ensure that the programs at the University are operating with the most current regulations and best practices.

SPARTANBURG COMMUNITY COLLEGE

Most of the College's travel is in-state travel to state meetings that require College representations, faculty travel to student clinical/work experience sites and faculty and staff travel to regional meetings. Out-of-state travel is required for employees to attend meetings, conferences and workshops that are required to obtain and maintain College and program accreditation. In several other instances, travel is required to allow faculty to visit students that have been assigned a program-required work experience.

The College is expected to have representation at national conferences. The purpose of these trips is to allow employees to keep current with the nation's trends in higher education, software development and technology changes in the various academic disciplines. It should be noted that in several situations the College is reimbursed the cost of these trips by the conference or company that is sponsoring the workshop.

STATE ETHICS COMMISSION

The travel incurred by the State Ethics Commission during fiscal year 2021 was for staff training and for conducting investigations as mandated by The Ethics, Government Accountability, and Campaign Reform Act of 1991.

STATE FISCAL ACCOUNTABILITY AUTHORITY

The State Fiscal Accountability Authority travel expenses are necessary as an integral part of our agency program delivery and continued development and maintenance of a quality workforce. The expenses include continuing professional education for agency staff to maintain licensure and certifications, Procurement Services auditors performing procurement audits at colleges and agencies throughout the state, Procurement Services engineering services for agencies, colleges and universities across our state, specialized insurance training for the Insurance Reserve Fund that is not offered in the state, and insurance mediation, claims and underwriting services to the city, county, school district and agency policyholders of our state. The expenses also include travel expenses necessary for "The Authority" and the "Agency Head Salary Commission" members.

STATE LAW ENFORCEMENT DIVISION

The South Carolina Law Enforcement Division has travel expenditures for the following reasons: law enforcement, extraditions, executive protection, information technology and law enforcement training.

STATE PORTS AUTHORITY

Travel expenses for the South Carolina Ports Authority generally fall under the following categories:

- Sales and promotional activities to create and maintain relationships with customers
- Conferences and meetings for executives and upper management
- Training and seminars for port employees
- Expenses incurred during travel between our Inland Ports and corporate headquarters located in Charleston

These expenses include fuel/mileage, air transportation, lodging, meals, event sponsorships, and registration fees. As a result of COVID-19, travel expenses were significantly reduced in FY2021. Several conferences this past year were held virtually and are included in the totals.

STATE TREASURER, OFFICE OF

Fiscal Year 2020-21 travel expenditures were again lower than normal due to the COVID-19 pandemic. The State Treasurer's Office was able to leverage virtual training opportunities for staff requiring continuing professional education. Employees participated in virtual classes needed to maintain professional designations including Certified Public Accountant (CPA), Certified Governmental Finance Officer (CGFO) and Continuing Legal Education (CLE). The State Treasurer's Office also participated in virtual high level management seminars and educational training events on Banking and Investments, Treasury Management, Debt Management, Unclaimed Property, Future Scholar 529 College Savings Program, and the Palmetto ABLE Savings Program as well as other governmental fiscal and financial topics.

TECHNICAL & COMPREHENSIVE EDUCATION, STATE BOARD

The SC State Board for Technical and Comprehensive Education operates the SC Technical College System. The System is comprised of 16 technical colleges located strategically across the state and its statewide affiliate programs: the readySC™ program and Apprenticeship Carolina™ program. All travel incurred was in support of the agency mission to provide

learning opportunities that promote the economic and human resource development of the state. Employees are required to attend various planning, budgetary, and informative work sessions throughout the state as well as meetings of regional and national higher education organizations. Also included in travel are the costs for attendance at training seminars, classes and institutions required to maintain certain certifications under federal guidelines and professional licenses. Knowledge and ideas gained at these meetings are shared throughout the technical college system and result in more efficient and effective operations.

THE CITADEL

Travel was greatly reduced in FY21 due to Covid 19. Citadel employee travel occurs primarily for academic purposes. College Professors and Deans make up fifteen of the college's top 25 travelers. One of the faculty recruiting and retention keys at The Citadel is an annual grant that the College's fundraising entity, The Citadel Foundation, provides to promote academic enhancement at the college. The Foundation specifically grants funds for presentations at academic meetings, travel for research that will result in publications or presentations at academic meetings, and travel for faculty development so that junior faculty can attend academic meetings and further enhance their base of knowledge so that they will be better prepared to conduct research and make presentations. The academic departments have very little appropriated funds for travel; almost all the travel expenses for this type of travel were paid with grant funds. College Professors and Deans also lead various study abroad programs.

Aside from academic travelers, five of the college's athletic coaches are included in the top 25 travelers. These individuals travel specifically for recruiting purposes. The remaining five top travelers for the college include employees that travel to attend various meetings and educational conferences and student service program coordinators who traveled for recruiting purposes.

TRANSPORTATION INFRASTRUCTURE BANK

Of the three travelers listed, two are SCTIB employees, Tami Reed and Jerri Butler. That travel is for in-state classes. One of the travelers, J G Simrill, is a Board Member who was reimbursed for mileage to board meetings.

TRANSPORTATION, DEPARTMENT OF

In keeping with the Department's mission and to improve transportation infrastructure, SCDOT employees are members of various national committees and boards, who attend annual meetings, participate in development of highway policies, and work with other state departments of transportation to develop best practices for our industry. Overall, the majority of SCDOT's travel costs are for the attendance of training seminars, classes and institutions required to maintain certain certifications under federal guidelines and professional licenses, most of this occurring in-state training. Other types of travel are incurred by the department for the inspection of asphalt, concrete, steel, and other material manufacturers to ensure the materials used in the construction of roads and bridges meet federal and state standards, as required by federal regulations.

TRI-COUNTY TECHNICAL COLLEGE

All travel expenses at Tri-County Technical College are paid from local and restricted funds. Our President's travel includes the evaluation of possible new initiatives in the operation of the college; expansion to additional campuses; working with the Foundation to obtain financial and community support for the operation of the college; establishing relations with community, state, and national leaders; and involvement with community leaders for the economic development of our three county service area. Other employee travel involves grant-related activities such as site visits for retention improvement, education workshops, and annual conferences such as SCTEA and other academic-related conferences, to keep informed of current issues and regulations.

Our College encourages faculty and staff development. Specific annual conferences are attended which educate faculty and staff on current updates related to their field of instruction and others for updates on issues and business practices.

TRIDENT TECHNICAL COLLEGE

Trident Technical College incurred out of state travel expenses for faculty and staff in fiscal year 2020-21 in order to conduct college business and provide opportunities for employee professional development training. Employees attended meetings, workshops or seminars which helped them develop new programs to incorporate into college curriculum or enhance teaching and technological skills. Travel funds provided opportunities to create business partnerships and identify regional service providers. Employees participated with students on college tours and other events which assisted students in meeting the challenges associated with the transition from high school to college.

Attendance at professional development seminars also furnished training to satisfy continuing education credit requirements for professional certifications or licensure boards. Business meetings provided a forum to discuss issues pertinent to higher education, such as budgeting or accreditation, and to share information with other colleagues. Some of the college's employees provided leadership by serving on the boards of national college organizations.

During FY20-21 Trident Technical College experienced a travel ban due to the COVID pandemic. The travel ban was in place from March 2020 – June 2021. Pre-planned meetings, workshops or seminars were forced to cancel or moved to an online platform. Employees received refunds from these meetings, workshops or seminars during this period. Many organizations refunded registration fees that were paid in a previous fiscal year.

UNIVERSITY OF CHARLESTON

The College of Charleston incurs in-state and out-of-state travel and registration related expenses in the normal conduct of their business. In support of the College's mission of providing a high-quality education in the liberal arts and sciences, the primary purpose of these travel expenditures is for student instruction, academic enrichment, faculty research, faculty and staff professional development, and student recruitment. Travel is completed in the most expeditious and financially responsible manner as required by state regulation.

UNIVERSITY OF SOUTH CAROLINA - ALL CAMPUSES

The University of South Carolina expends funds for both in-state and out-of-state Travel for the purpose of student instruction, academic enrichment, faculty research, student programs and recruitment, donor development and faculty and staff professional development. All of our travel is in support of the university's mission to educate the state's residents through teaching, research, creative activity and community engagement.

VETERANS' AFFAIRS, DEPARTMENT OF

Department travel in FY20-21 served two primary purposes: 1) to establish relationships with and understand the needs of the 46 County Veterans Affairs' Offices across the state; and 2) to lay the groundwork for a coalition of federal, state, and local government agencies, non-profit organizations, private sector companies, and individual South Carolina citizens with an interest in Veterans issues.

To accomplish the first task, the new Secretary personally visited 43 of the 46 county offices in his first six months. Based on the results of his travel, we dispatched a tailored team of subject matter experts to each county office to conduct staff assistance visits, both to go a more robust understanding of the challenges facing the county offices and to provide assistance in such specialized fields as data management, public relations, and the unique challenges of women and minority Veterans. These visits typically lasted only a day, and often included two or more adjacent counties.

To accomplish the second task, the Department established a Division of Operations, which includes a Regional Integration Officer for each of the state's four traditional regions, as well as functional coordinators for the more pressing challenges facing Veterans (employment, housing, health promotion) and a coordinator specializing in women and minority Veteran issues. We dispatched these team members to establish and strengthen relationships across the state with any organization or individual with an interest in serving Veterans. Our goal is to build a state-wide coalition consisting of service providers of all types, each with the ability to see both the needs of Veterans and the array of resources available through coordination with other service providers. A more efficient connect of Veteran resource to Veteran need will enable more Veterans to be served better with the resources already committed.

In the upcoming year, we expect to continue travel in support of the two tasks described above. As a new Department, we have discovered that regular, face-to-face coordination remains a critical component in building and strengthening partnerships, even as digital communications have vastly increased our ability to manage routine operations remotely.

VOCATIONAL REHABILITATION, DEPARTMENT OF

The mission of SCVRD is to prepare and assist eligible South Carolinians with disabilities to achieve and maintain competitive employment. Travel expenditures are a necessary function of the daily activities of SCVRD for purposes to include:

1. Assisting consumers in resolving disability related issues that are impacting their ability to become competitively employed. Our staff provides extensive counseling and guidance services, supported employment services, on site work visits, benefits counseling services, and job placement services. Contingent on the individual needs of a consumer, SCVRD staff may meet with a consumer at an itinerant office site and on the job site once the consumer is placed in employment.
2. A vital step in SCVRD's job readiness program is networking with the business community to secure outsource contracts for SCVRD job readiness training facilities. Job readiness training services assist consumers in developing appropriate skills and workplace behaviors.
3. Staff oversight of 25 area offices and 26 job readiness training facilities is required to ensure that the agency is in compliance with the rules and regulations that govern the vocational rehabilitation program. This oversight function includes staff attending meetings/trainings both in and out of the state and conducting on site visits to the various offices located throughout the state. Employees with specialty areas of expertise are responsible for serving and traveling among multiple area offices.

WIL LOU GRAY OPPORTUNITY SCHOOL

Travel for the Wil Lou Gray Opportunity School has two main purposes. First is recruitment and advertising the school's purpose to serve at-risk youth across the State of South Carolina. Second, is for the purpose of professional development, continuing education and business networking conferences for employees.

WILLIAMSBURG TECHNICAL COLLEGE

Due to COVID19 Williamsburg Technical College's travel consists mainly of registration fees. All conference and peer group meeting were held remotely. There was some mileage associated with the Health Sciences instructors' travel for clinical sites.

All travel was specific grant travel funds or other funds used for professional development for employees. No unrestricted state money was used for travel.

WINTHROP UNIVERSITY

Travel at Winthrop University is encouraged for three (3) primary reasons. These include the recruitment of a high-quality and diverse student body, the recruitment of student athletes, and the development of faculty and staff in their career paths. In addition, Winthrop houses the Center for Educator Recruitment, Retention, and Advancement (CERRA) whose responsibilities and travel cover the entire state of SC.

This development includes expenditures to send faculty and staff to conferences, workshops, and symposia which will result in higher levels of productivity and job-related competencies. It is our belief that having competent and productive employees results in being able to provide a higher quality education at the lowest possible cost to the students' families and to the taxpayers.

WORKERS' COMPENSATION COMMISSION

Travel expenses for employees of the Workers' Compensation Commission listed is related to travel to preside over adjudicatory hearings or mediations of workers' compensation claims held in the seven districts in the state or travel to professional association educational meetings to participate as an attendee or speaker.

YORK TECHNICAL COLLEGE

York Technical College travel expenditures are related to conducting approved official college business. The expenditures may include opportunities for upgrading technology skills, developing faculty and staff, and maintaining skill levels necessary to meet the criteria of SACS and other accreditation agencies.

These travel expenditures were not funded by state appropriations.

The data in this report was compiled by the Comptroller General's Office.

Section 1-11-425 of the South Carolina Code of Laws requires the following information to be included in each bound document:

Total number of documents printed	23
Cost per unit	\$ 5.84
Total printing costs	\$ 134.32
